Dear Warden LeBlanc,

As Member of Parliament for West Nova, I am honoured to be able to serve the constituents and businesses in my riding. As you know, no single level of government can solve all challenges we mutually face. It takes partnership from all levels to make a difference in our community. I look forward to working with you and your Council in the future to collaborate on the important initiatives in our region.

I would be happy to meet with you and your Council at your earliest convenience in order to better understand the current issues and challenges you face in your area, and to build relationships that will help us in working together.

Looking forward to hearing from you.

Kind regards,
