March 7, 2018

To Whom It May Concern:

Employment Opportunities Partnership is very proud to be part of an upcoming **'Appreciation Dinner Event'** for the **'First Responders'** in Digby County, Annapolis County and Municipality of Clare.

First Responders put their lives on the line for us each and every day. They are the first people on the scene when an emergency strikes. These brave individuals are always running towards dangerous situations to save and protect the people of our communities. There can never be put a dollar value on these services because without them our communities would be in turmoil.

We don't have to risk our life day in and day out to keep our community safe. What we have to do is support those who do. For those who are our First Responders and who make a positive impact on our lives every day, let's take time to make a positive impact on theirs. Let's show them they're appreciated.

Letting the First Responders know that we care can make all the difference in the world for them. They have a tough job, day in and day out. Yet they continue to serve and protect. A simple "thank you" can help keep their spirits strong.

Rallying together for this evening of honour and celebration creates opportunities to collaborate, connect and learn about the unique challenges our First Responders incur. It's a collective opportunity to learn how they work through these challenges and to say thank you for their courage, strength, commitment and sacrifice. This is our communities' opportunity to say thank you for having the courage to serve and protect us and for laying your lives on the line every day for the people of the communities that you serve.

The evening will consist of a dinner to be held at **The Pines in Digby** with entertainment. The time will be **6:00 pm to 9:00 pm on Thursday, May 31, 2018.** In order to move forward with this most important event we are looking for support. Attached is our package for your review. Whatever you are able to do to assist in this great event will be

greatly appreciated. It will be an evening of fun, laughter, good food, great company and our time to give appreciation to the people who keep us safe.

We look forward to hearing from you and seeing you at the event on May 31. If you have any questions, please do not hesitate to contact me.

Yours truly,

Debbie G. Cook
