TO WHOM IT MAY CONCERN:

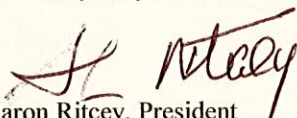

On behalf of the South Shore Regional Hospital Auxiliary, I want to send congratulations on your well thought out program for attracting new doctors to your area.

Each unique area of the province has it's own problems to overcome when trying to recruit new doctors. We are very impressed with your strategy.

We would be very interested in having someone from the Municipality speak at one of our regular Auxiliary Meetings. The South Shore Regional Hospital Auxiliary is the largest Auxiliary in the Province of Nova Scotia.. As residents of Nova Scotia we must all accept responsibility for ensuring that the best Health Care possible is available in our area.

Looking forward to hearing from you in the near future. Please see my contact information below, or feel free to email the Auxiliary Secretary, Carolyn Tipert at nutcatpep@ns.sympatico.ca

Yours very truly,

Sharon Ritcey, President
