NAME OF RFP: Detailed Design – Havelock Fire Department and Community Centre

LOCATION OF WORK: Hasset, Digby County, NS, PID 30382832

TENDER CLOSING DATE: Tuesday, September 15, 2026.

CLOSING TIME: 3:00 pm

ADDENDUM # 1

PLEASE NOTE:

The following changes have been made to the RFP. Addendum issued September 1, 2026.

Phase 1., i. Topographical Survey / Data Collection, point two, has been changed to:

- Coordinate the completion of an onsite topographical survey and all required geotechnical services, for use to develop a base plan for design. Please note, the topographical survey and geotechnical services will be contracted directly with the Municipality

Phase 1., ii. Design Plans, point three, has been changed to:

- Prepare a Class C cost estimate.

Phase 2, iv. Construction Phase Services, point two, has been changed to:

- Provide on-site inspection services at key intervals during construction, review contractor progress claims, answer contractor questions and troubleshoot (if/when necessary).

The undersigned Bidder declares that he has read, understands, and agrees to the changes and/or conditions referred to in this addendum.

A SIGNED COPY OF THIS ADDENDUM MUST BE INCLUDED WITH THE BID SUBMISSION.

Dated this ____ day of _____, 2026.
