Funding Application Evaluation Criteria

The community of Clare wishes to achieve objectives related to the following 5 characteristics:

1. Inclusive leadership

- Community leaders (board chairs, executive directors, elected municipal officials, business leaders, etc.) are more aware and the activities organized or services offered are adequate for newcomers;
- Community authorities are more aware of the needs, realities and issues experienced by newcomers in order to implement adequate programs and services for newcomers;
- Information regarding services and activities offered is better communicated to the public and newcomers are aware of existing activities.

2. Equitable access to intake and settlement services

- Newcomers have access to an information and support service to orient them and support them, among other things, in all their steps;
- Newcomers are more aware of their new community, know it better, and are better able to participate in various activities and take advantage of the services offered by the community.

3. Economic, entrepreneurial and employment opportunities

- Increase language skills of newcomers to ensure their employability.

4. Civic engagement and participation

- Newcomers have access to and participate in socio-cultural activities that interest them;
- Community members are more aware and welcoming of newcomers settling in the area.

5. Welcoming public spaces

- Encourage positive interactions among Clare residents, old and new, of all cultures, and develop a shared culture around the use of public spaces in the municipality;
- Support cross-cultural encounters in the Veterans Center, parks, athletic fields, and other institutions in the municipality;
- Hold activities in our public spaces that have the goal of promoting coexistence among neighbours.
